Audiovisual & Speakers Instructions

We are honored by having you as one of the faculty member in our congress and we hope to insure delivering of your presentation to the attendance in a perfect way.

The following guidelines are made to help us bringing this conference to perfection

- Please use a PC (IBM Compatible) not Apple Macintosh formats.
- Computers used in the conference are PCs loaded with Microsoft Office 2013.
- Please use Microsoft PowerPoint XP or later version to prepare your presentation
- If your presentation includes movies, be sure to create a folder including your presentation & movie files or sound clips. This will insure that all the tools used to create the presentation are readily accessible on the show site.
- Please remember that your movies should be in MPEG1 format. AVI files might not work properly on all computers unless special codec is used. MOV is not a compatible format to be run inside PowerPoint.
- Codec player will be available in all computers serving the conference.
- Speakers are not allowed to use their personal laptops whatever the reason is. Strict rule are applied in this matter. Apple users must prepare a PC compatible CD or DVD loaded with their presentation(s).
- Only digital media is allowed as a tool to present data, namely CDs, DVDs, Flash memory &/or external hard drive. No 35mm physical slides are allowed. No video tapes. No Transparencies. No Whiteboard. No Bluetooth mobile phones.
- Computers inside the lecture room are not connected to the internet.
- Speakers must handle their presentation **ONE** hour AT LEAST before beginning of the session, at CHECK CORNER in the lecture room, computers inside the lecture room are connected to local network so the presentation will appear automatically on the presenting equipment's.
- The duration of the presentation is controlled digitally through computer software, thus we appreciate your understanding to stick to the dedicated time.**
- If you are presenting a case:** kindly restrict to the allocated time and please note that it includes at least 3 minutes discussion.

Any extra minutes in the presentation will be deducted from the valuable discussion time
