Welcome

Dear Friends and Colleagues,

I am delighted to welcome you to our 13th Kasr Al-Ainy Endoscopy, Hepatology and Gastroenterology Course. Since our early beginning, we have setup our goals to highlight the latest updates in our rapidly growing and expanding field through inviting top national and international speakers.

We promise a varied program including video sessions, interesting debates, and updated lectures. For more satisfaction, our top-edge live endoscopy course will continue.

Throughout this conference, I ask you to engage, keep proactive and share us the task of keeping updated. My personal respects and thanks go out to all of you.
