Prof. Esmat Sheba

Dear Friends & Colleagues,

It gives me a great pleasure to invite you to Cairo University 11th Hepato-Gastroenterology & Endoscopy course organized by El-Ebrashi Unit, Internal Medicine Hospital, Faculty of Medicine, Cairo University. This year, many changes have been made to meet the continuing needs of both the expert gastroenterologist and the trainee. Let me give you an overview of what are you going to see in the coming meeting.

The course will be a 2-day event with lectures and endoscopy live transmission. However, you will enjoy this year a video endoscopy forum that allows you more exciting interaction during the presentations.

In a nutshell, you will always find what you are looking for. We would like you to enjoy learning and most of all to have a chance to meet your old friends and make new ones.

Invited Guests
