

6th Gastroenterology Hepatology & Endoscopy Symposium

Feb. 28 - March 2, 2009
Internal Medicine Department, El-Ebrashi Unit

UNDER PATRONAGE OF

Prof. Ahmed Sameh Farid
Dean of Faculty of Medicine, Cairo University

Dear Friends and Colleagues,

It is our pleasure to invite you to attend the 6th Kasr El-Aini gastroenterology, hepatology and endoscopy conference that will take place on February 28th 2009. This conference is a three-day event providing training on the latest research and best-practice strategies in gastroenterology, hepatology and endoscopy. The conference will give you an opportunity to participate in dozens of educational sessions and hear from dynamic presenters. You will enjoy the excitement of interacting with world famous endoscopy and US experts in live transmission from the endoscopy suite. There will be cutting-edge products to learn about in the exhibition area.

The expert panel in the year 2009 is very special. Sharing of top experts in endoscopy Pro. Nib Soehendra, Prof. Hagen Muller and Siegbert Fais gives us the feeling of the famous Endoclubnord meeting being held in Egypt. Prof. Schaumacher will add more of the German flavour to the workshop. Interventional endosonography will be updated by prof. Kenji Yamaw from Japan. Prof. Michael Manns will lecture on the recent advances in hepatology. Experts from Arabic countries and Egypt will add to the wealth of conference.

Last year we received very enthusiastic feedback on the ultrasonography course. Building on that, a pre-program ultrasonography training course have been added to the program in collaboration with our German partners. A DVD training center provided by the ESGE will give you the chance to increase your knowledge abilities.

Best of all, the Annual Meeting will give us a chance to reconnect with colleagues and friends, both old and new.

We eagerly look forward to meet you.

Regards,

Mazen Naga

Director of Al-Abrashi unit

Taher El-Zanaty

Director of the Course

Ali Farag

Secretary of the Course

ORGANIZING COMMITTEE

Mazen Naga	Director of the Unit
